The Digital Empire

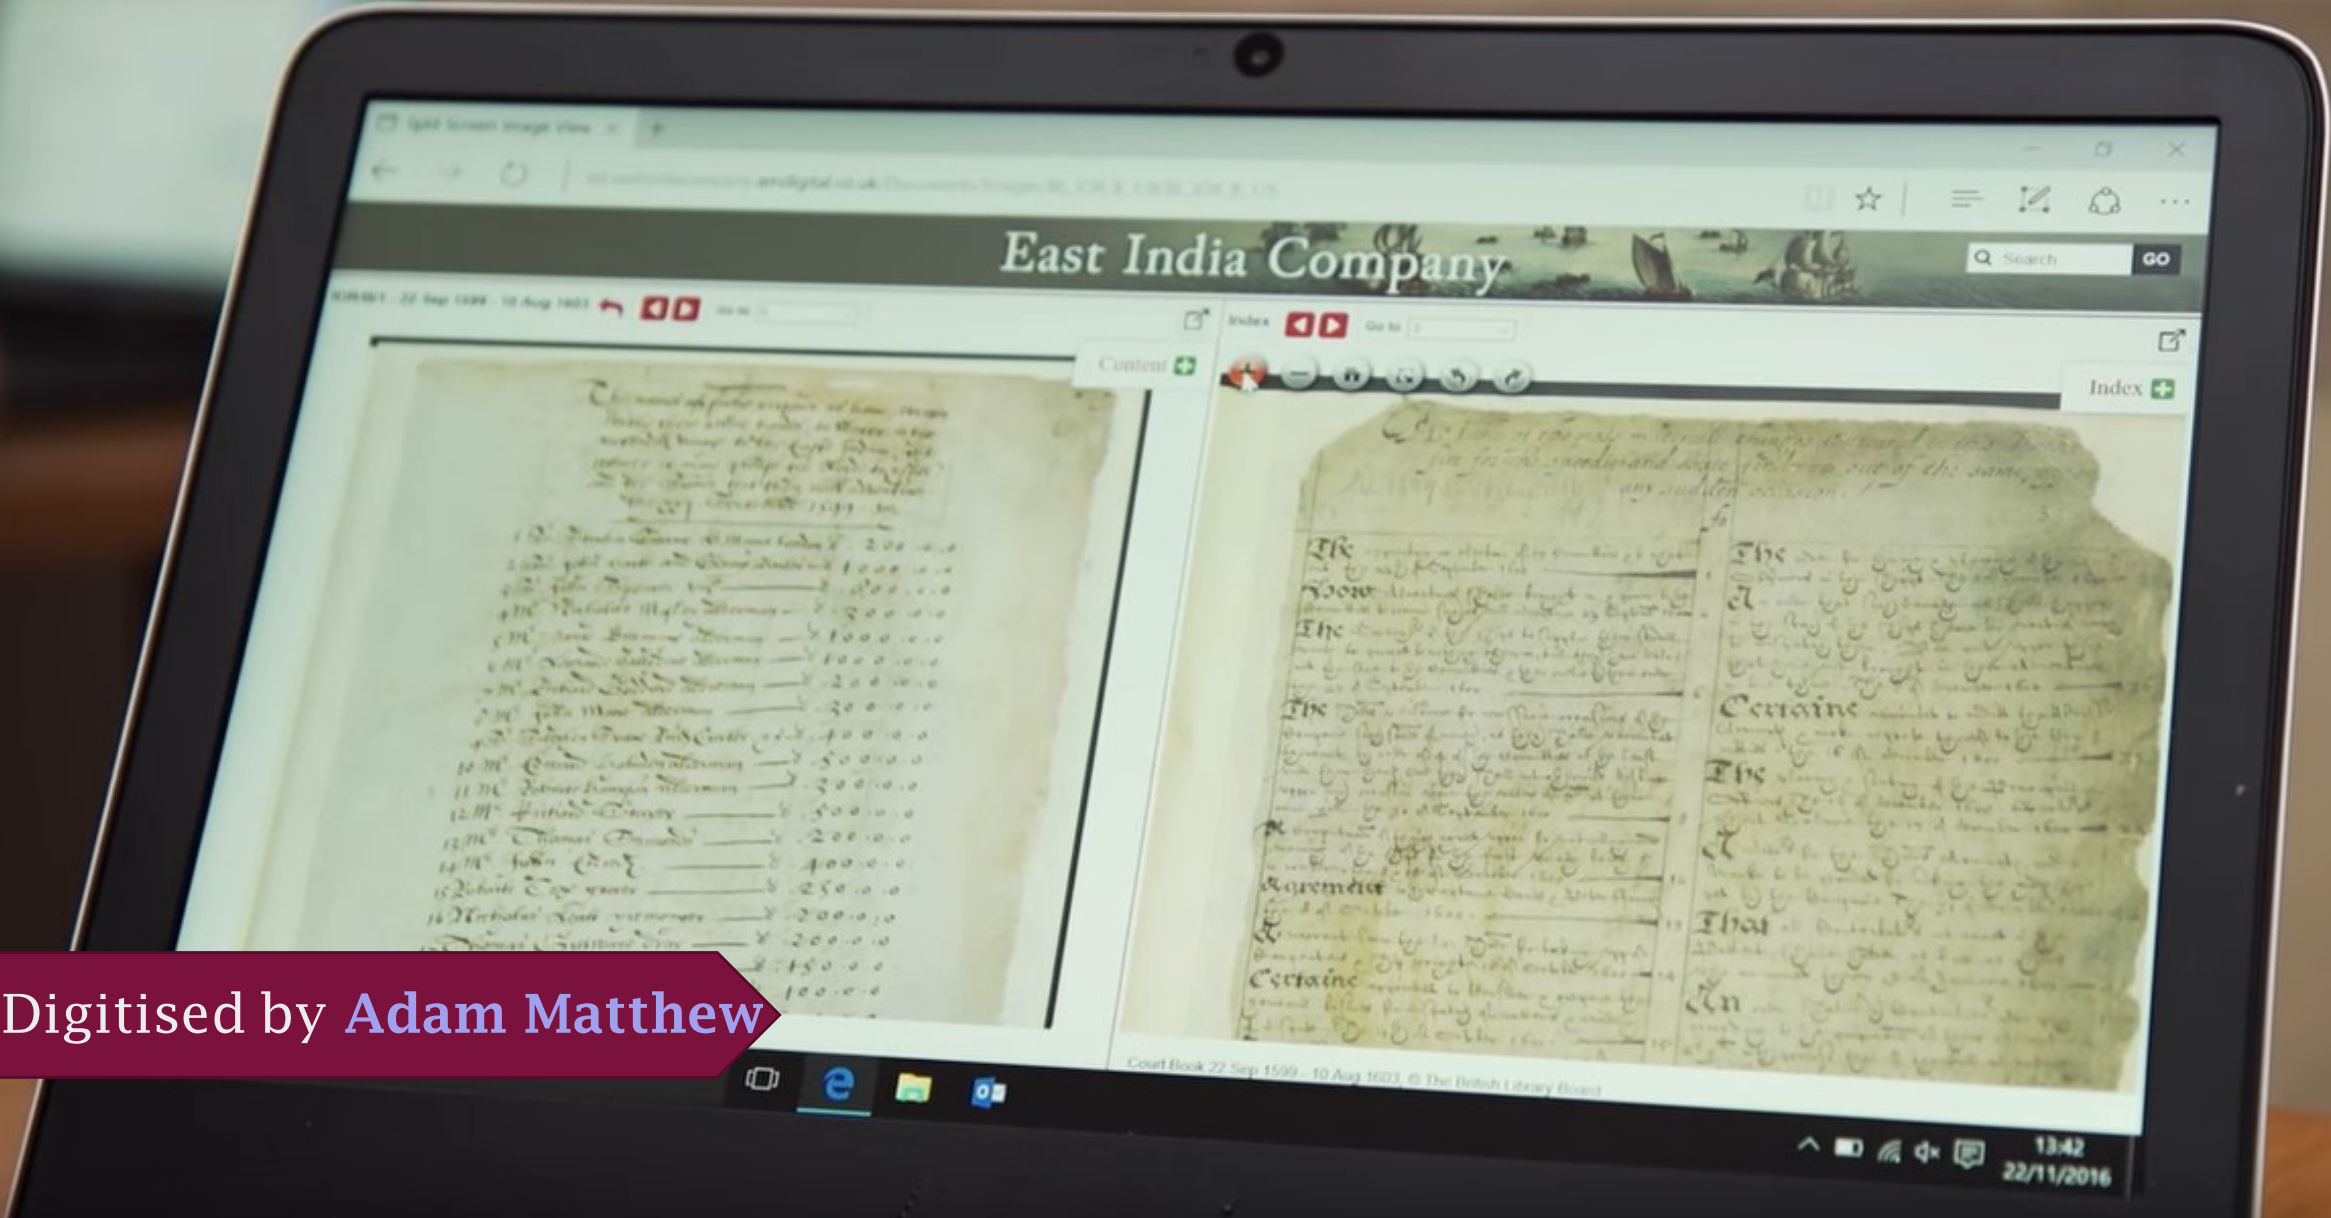

The whole Government of India is carried on in writing. All the orders given, and all the acts of the executive officers, are reported in writing, and the whole of the original correspondence is sent to the Home Government; so that there is no single act done in India, the whole of the reasons for which are not **placed on record**.

JOHN STUART MILL, “East India Company Charter” (1852),
Writings on India (University of Toronto Press, 1990)

Digitised by Adam Matthew
